

Safety While Completing Errands During COVID-19

Kelly Fisher, RN
Milestone HCQU West

Our world has been changed by COVID-19 yet we still need to take care of the essentials. Grocery shopping, take-out, banking, getting gas, and doctor visits. How can you do it safely? This webinar will explore how to perform our essential errands safely.

KEY TAKEAWAYS

- When possible order online or utilize curbside pick up.
- Pay in advance to minimize person to person contact.
- If errands must be done in person wear a mask.
- Wash and sanitize hands often.

- Center for Disease Control www.cdc.org
